We publish in another column the terms of Daily, Tri-Weekly and Weekly New York Tribune. This paper needs no recommendation from us, as its two hundred thousand readers must number many of the readers of the American. We say subscribe for it.

Ohio State Ticket—The State Convention, which met at Columbus, O., on Tuesday last, nominated the following ticket: For Supreme Judge, Judge Peck; Attorney General, C. P. Walcott; Comptroller, W. B. Thrall; Member of the Board of Public Works, John L. Martin.

If any of our subscribers should fail to be served by the carrier they will please notify us of the fact, we have a new boy at the business this week.

Three more numbers will complete one half of our first volume. Subscribers who commenced with the first number, and have not paid their subscription, will be charged two dollars above number 25.

Courts—On the 16th ultimo, by Henry W. Taylor, Esq., at Camden, Seneca County, Illinois, Mr. Henry Park, formerly of Brookville, to Miss Elizabeth C. Clark, of the former place.

Dr. John Young. The Republican candidate for Superintendent of Public Instruction, visited our town on Tuesday last, and made one of the finest speeches which it has been our fortune to listen to for many a day. Mr. Young made friends here, and he made votes too, as he will do everywhere he goes. We do not believe the Democratic party will soon forget his visit to Brookville, as we have heard it quite whispered that their speaker on that occasion was pretty badly "used up." Judge Holman said when he was here last week said that he had not forgotten his discussion with Hon. Will Cumback in 1851. We presume Mr. Line has also a good memory.

Spring Medicines. Get the purest, get the cheapest, get the most efficacious. In short get the best, which are Dr. Robek's Scandinavian Blood Purifier and Blood Pills. These wonderful Medicines are entirely vegetable, leave no bad effects, and can not by any possibility injure the most delicate constitution. Never was a good Spring Medicine so necessary, now, for in addition to the skin Diseases and deranged Stomach and Liver, which every Winter produces, it is most evident to all who are accustomed to note the powerful influence for good or ill that the mind has upon the body, that the anxiety of mind caused by the late wide-spread money troubles, has injured the general health of almost every one. Then cleanse, strengthen and purify your system with the Scandinavian Remedies, and you will probably save yourself from serious illness the coming Summer.

HIGHLAND TOWNSHIP, July 10, '58.
MR. EDITOR:

An Anti-Leecompton meeting was held July 10th, at the house of A. Horning, for the purpose of appointing delegates to attend the District Convention to be held at Greenburg on Tuesday, the 13th of July.

On motion of Dr. A. J. Biddinger, E. Allen was appointed President and P. Norris Secretary of said meeting.

Dr. A. J. Biddinger moved the adoption of the following resolutions, which were received:

Resolved, That all just powers of government are derived from the people—that this principle is recognized as fundamental by all American Constitutions.

Resolved, That the policy of forcing Kansas into the Union with a constitution already rejected by a large majority of the people for whose government it was framed, is狂暴的. That it involves an act of Congressional intervention and criminal usurpation upon publishing. If at all, a sacrifice of the right of the nation, and in defiance of the principles of self-government.

Resolved, That we regard the present administration and its followers, as they have arrayed themselves in favor of the Leecompton Swindle as a principle and policy of that party, as revealing a tendency of the distinctive features of an ancient Federalism, that the theory in our opinion involves a complete centralization of the political power of the government.

Resolved, That we regard the English press as a bribe held out to the people of Kansas to induce them to accept a constitution that they repudiated by a large majority on the 4th of January 1858.

Resolved, That we are opposed to the retrocession of the Wabash & Erie canal, as well as any new arrangements with the bond holders thereof.

On motion of John T. Cooley, the following gentlemen were appointed delegates to attend the district Convention to be held at Greensburg on the 13th inst.

Dr. A. J. Biddinger, Wm. Wood, Wm. Coxon, E. Allen, A. McFee, E. Cooley, Washington Howe, Connel Fender, J. Fender, August Horning, G. Dant, T. Cray.

On motion of Wm. Shank, a copy of the above proceedings were ordered to be sent to the Brookville American for publication. E. ALLEN, Pres't. J. P. Norris, Sec'y.
